Come and shoot our Zombies!

They're out there... lurking in the shadows... thirsty for your blood and brains. Only you and your companions can purge Tulsa of the Zombie scourge waiting to overwhelm the living. Luckily, we've come up with the perfect zombie-removal solution. We sourced and outfitted a former bus, once used to bring smiling, happy children to school, to become the ultimate zombie-shooting machine. Stay safely enclosed within its steel walls as you eliminate the Zombie apocalypse.
